

Hush Acoustic Panels, 18mm Pinable

The hush acoustic screens feature powdercoat desk clamps holding the 18mm thick pinable acoustic panel with rounded corners. Hush is a lightweight and semi-rigid panel with excellent sound absorbing properties. Designed with solid colour throughout, it can be cut to a variety of sizes to suit any screen application.

Containing a minimum of 60% post-consumer recycled material (PET bottle-flake), Hush is completely safe, non-toxic, non-allergenic and non-irritant., and is also highly durable providing long term stability.

Redefine your environment; controlling reverberated noise can create an ideal and productive environment for offices, schools and more.
