ERGONOMIC
HOME & OFFICE SOLUTIONS

2023

CANOHM

Established in 1963, Canohm is an importer and distributor of consumer electronics, ergonomic furniture and custom integration solutions.

We pride ourselves on sourcing and distributing a wide range of high-quality home entertainment products including A/V mounting solutions, analogue and digital radios, and interactive flat display panels from around the world. Canohm is the sole appointed Australian distributor for Vogel's (The Netherlands), Sangean (Taiwan), Minix (Hong Kong), Amina (England) and Future Automation (England) in addition to our home brands, Ergovida and EZYmount (Australia/China).

To support the fine brands and products we represent, we offer our valued customers and end-users the highest possible levels of technical support, product guidance, and after-sales service second to none in this industry. Our trained team of experts go out of their way to ensure the best possible customer experience. We have a nationwide team of sales representatives and are proud to support our customers across Australia.

Canohm pursues the highest levels of professionalism at all times and in all areas of the business. Canohm's products comply with all Government and Regulatory standards.

Discover the Canohm difference today. Great products and even better people.

Ergovida

The **Ergovida** range of desks, chairs and accessories is the perfect solution to furnish your work and home environment with ergonomic furniture that supports your back and posture whilst you work, study and play.

With many of us spending each day sitting in front of a desk, Ergovida addresses the ergonomic needs of your back, neck, arms and legs. This fun and functional furniture range are simple and durable, whilst helping to prevent postural damage, backache and headache.

The many design features include tiltable desktops, height adjustment for desks and chairs and winged backrests on chairs for general well-being.

Choose Ergovida furniture to get on with your day - in a healthy way!
