

Classic Concept *PLUS*

solutions for your business and home office

MODULAR OFFICE FURNITURE

designed and manufactured
in Australia

Classic Concept *PLUS*

The introduction of **Classic Concept Plus** is the integration of our two most popular product ranges plus **much more**.

There are **new** colours, woodgrains and powdercoated finishes. **New** pedestals, **new** handles and a whole **new** storage selection with internally adjustable levelling glides and 25mm thick shelves.

Desktops can now be selected with **square** or **radiused** corners and **desk bases** with **panel sides** or **metal legs**. The extensive choice of co-ordinated components includes many innovative **new** features and options that offer **more choices** than ever before.

From this exciting new product range **solutions** can be created to suit all requirements for function, style and most importantly, **budget**.

Proudly manufactured in Australia

Most **Classic Concept** Desks and Workstations offer a selection of **Desk Tops** and **Desk Bases** that can be combined as set out in the table below.

		DESKING OPTIONS				
		DESK TOPS		DESK BASES		
		TYPE S Desk tops square corners	TYPE R Desk tops radiused corners	TYPE A Panels Ends 18mm thick	TYPE B Panels Ends 25mm thick	TYPE C Metal Legs
