COMMERCIAL UPHOLSTERY FABRIC

# SEVILLE

COMMERCIAL UPHOLSTERY FABRIC

SEVILLE

SEVILLE is a durable yet supple PVC with a brushed polyester backing which further enhances the feel of softness.

Specifically designed as a commercial furniture & marine grade upholstery vinyl fabric. Suitable applications include restaurants, hotels, healthcare, aged care, education, marine, and heavy wear commercial areas.

SEVILLE is formulated with a high UV resistance to withstand the harsh Australian outdoors.

SEVILLE has been treated with a stain resistant finish to help guard against stains. Healthcare, aged care, commercial & marine applications where mould and mildew resistance is required, the anti-microbial & anti-bacterial properties make SEVILLE the perfect choice.

Stocked in Australia. SEVILLE has a palette of 25 colours with an attractive leather-look emboss.
